# Train to teach with

# TeachEast

Train in Peterborough; teach in  
Peterborough; change children's lives.

info@teacheast.org

www.teacheast.co.uk

## Who are we?

Teach East is Peterborough's School Centred Initial Teacher Training (SCITT) course, providing inspirational and effective training to the outstanding teachers of tomorrow

**High employment rates for trainees** - we offer excellent guidance and support for finding the right school for you.

**Hands on, practical training** that can be used in the classroom straight away

**Learn from current teachers** who will share their experience and evidence informed strategies with you.

**Personal and professional support** throughout your training year, and into your ECT (Early Career Teacher) years

## What courses do we offer?

Teach East have courses for people wanting to teach in both Primary and Secondary schools. The Secondary subjects we offer can be seen below:

ART & DESIGN	BIOLOGY	BUSINESS STUDIES	CHEMISTRY
COMPUTING	DESIGN & TECHNOLOGY	ENGLISH	GEOGRAPHY
HISTORY	MATHEMATICS	MODERN LANGUAGES	PHYSICAL EDUCATION
PHYSICAL EDUCATION WITH EBACC	PHYSICS	RELIGIOUS EDUCATION	

# About the course

Our programme will equip you with the knowledge, skills and understanding to work in the classroom, inspiring and empowering young people to achieve their full potential and become lifelong learners.

A typical week will mean that you spend 4 days on placement within a local school, with one day a week in our training centre, or within another local school, for training provided by Teach East. You will be motivated by your fully-trained Teach East mentors, who will inspire and guide you to become an excellent practitioner ready to seek employment within a local school.

Our Placement schools reflect the diverse educational landscape the city has to offer. Our first hand knowledge of the schools mean we can select the school we feel will be best suited to your needs.

If you are interested in further academic qualifications, you may elect to earn Masters Credits via a PGCert qualification from the University of Hull. This will support your academic and professional reflection and the theoretical underpinning of educational practice.

## 22/23 Course fees

The course fee is £8250 for QTS (*Qualified Teacher Status*) only

*An additional £1000 is payable for the PGCert (Postgraduate Certificate in Education) if you choose to take this alongside QTS*

# School Placements

Teach East has a partnership of over 30 Secondary and Primary schools across the city of Peterborough. This is where you will spend the majority of your training year (Monday - Thursday every week), therefore it is crucial that you have a high quality mentor who can guide and support you along your training.

Our Mentors are there to guide you and help you develop into the best teacher you can be, offering guidance and advice every step of the way.

In addition to your main placement, we also arrange for you to spend time another school to experience a contrasting environment. This will provide you with an insight into how different schools meet the needs of the students in their individual context.

# TeachEast Testimonials

*The Teach East team have provided us with endless support and have always made it clear that there is someone available. The course was structured so that we could focus on teaching during the week and then Teach East at the end of the week. I have found all of the sessions and subjects to be worthwhile and feel that it has definitely equipped me to become the best teacher I can be. Assignment feedback was always received incredibly quickly and there was a high level of support through these. Everything has been dealt with in a professional yet friendly and relaxing manner.*

Primary Trainee, 20/21

*Teach East is an excellent teacher training programme. The members of staff on the course are very welcoming, knowledgeable and eager to help and support wherever you may need support. The atmosphere at training is lovely as it is a great chance to develop your knowledge with other trainees and discuss yours and their weekly teaching strategies and lessons. The standard of training is excellent with a mixture of in house and external providers as well as outings (forest school training was my favourite).*

*I would strongly recommend choosing Teach East to train with as you will reflect back on your training year with happy memories and life long friends as well as continuous professional development which has been improved significantly.*

Primary Trainee, 20/21

*Teach East are amazing! The team are very supportive and provide the skills and knowledge to progress their trainees through the year and prepare them for their teaching careers.*

Secondary Trainee, 20/21

*Choosing Teach East for my career change was one of the best decisions I made*

Secondary Trainee, 20/21
